Self-Declaration Certificate by Research / Academic User

I...Son / Daughter / Wife of ...., resident of (complete Address)...do hereby certify that I have indented Precise positioning services through CORS Network for Research / Academic/ Educational purposes only.

I undertake that these services will not be used in any commercial / consultancy work.

I have read provisions of "Guidelines for acquiring and producing Geospatial Data and Geospatial data services", published vide DST notification no SM/25/02/2020 (Part- I) dated 15thFebruary 2021 and I fulfil the criteria of 'Indian Entity' defined in the said guidelines.

I solemnly affirm and declare that the data collected using these services will only be stored and / or processed in Computers/servers/storage media/cloud, physically located within territory of India and shall not be exported/sent to any foreign country through any medium electronically (e-mail/pen drive/CD etc.) or physically and neither it will be handed over to or shared with any Indian/foreign entity located outside territory of India.

I solemnly affirm and declare that neither I will sublet access credential given to me, nor I will re-sell data/services provided by Survey of India in its original form.

I hereby declare that, to the best of my knowledge and belief, the documents and particulars given in registration and the declaration made above are true. I agree that, if any information/ undertaking furnished by me is found to be incorrect/ false, in that event Survey of India will have right to revoke registration without any compensation and I shall be liable for the legal prosecution in the event that above facts are found to be false.

I agree that in case of any non compliance /violation of conditions covered under self certification, I will be responsible for any consequences arising as per provisions of respective law and the decision of the authority will be final in this regard.

I hereby accept and agree that the due credit will be given to the Survey of India in all the publications made using the above data and findings of the research work will be shared with Survey of India in the form of publication(s) made.
